Re: Your Letter Dated May 10, 2002  
Required Submission of Information  
Lower Darby Creek Area Superfund Site - Clearview Landfill, Folcroft Landfill,  
and Folcroft Landfill Annex

Dear Mr. Sokolowski:

We represent Cleveland Wrecking Company, formerly known as CWC Acquisition Corp. ("New Cleveland") and this letter is written on its behalf. This letter will respond to your letter dated May 10, 2002 regarding the required submission of information regarding Lower Darby Creek Area Superfund site -- Clearview Landfill, Folcroft Landfill, and Folcroft Landfill Annex.

New Cleveland was formed in 1997 to purchase the bank debt of a company that was then called "Cleveland Wrecking Company." New Cleveland purchased that bank debt and has since foreclosed on certain assets of old Cleveland including its trademark and name. It is New Cleveland's understanding that old Cleveland is deeply insolvent and close to filing bankruptcy.

Accordingly, it appears that your letter to New Cleveland was misdirected as New Cleveland did not even exist during the time periods referenced in your letter. Accordingly, New Cleveland has no documents that relate to those time periods.

Please call me at (213) 891-8720 with any questions regarding the foregoing.

Very truly yours,

Peter M. Gilhuly
